# LUVANTO VINYL CLICK

## LUVANTO CLICK VINYL

Now enjoy a beautiful Luvanto floor even quicker, with Click's sturdy joint locking system which makes it very fast and easy to fit. No glue and no mess – simply lock the planks and tiles together and away you go! Having a 0.5mm wear layer this comes with a 10 year commercial warranty and 20 year domestic warranty. This range can be used in most rooms but is extremely popular to use in bathrooms and kitchens due to it being 100% waterproof and susceptible to moisture. The Luvanto Click range is very handy if you are elderly or have small children who are just finding their feet, with a high slip resistance (R10) the click floor range is extremely safe for your family.

### SO WHAT MAKES LUVANTO SIMPLY BETTER?

**Stylish colour palette** – we gathered artists, architects, interior designers and magazine editors from across Britain to help us create a cutting-edge flooring collection that is both stylish and elegant.

The result is an exclusive collection of stylish woods and tiles, chosen and curated by design experts.

**Durable luxury** – you can be sure your Luvanto floor will look good for longer thanks to its tough, durable finish. It is also extremely easy to maintain, unlike natural floor finishes which often require expensive polishes or lacquers to preserve their appearance.

**Complete peace of mind** – Our 'no quibble' warranty means that we're confident you'll be delighted with your new floor but if you have any problems, one of our friendly team will be happy to help. Our generous 25 years domestic warranty and 10 years commercial warranty mean you can rest assured that Luvanto will give you fantastic value for money.

We have excellent stock holdings throughout the UK, so you can be sure that as soon as you've made up your mind on the perfect floor for you, it will be delivered very quickly.

So take a look at our range and prepare to be inspired...
